

COMPANY SECURITY POLICY

It is Synergy's policy to provide a secure working environment, by establishing and maintaining the required security measures to detect and deter unlawful acts against ships that endanger the safety and security of persons and property on board and the environment.

The Company Objectives are to:

- Provide security procedures and practices for ship operations to protect the ships, security of ports and the wider community.
- Establish safeguards to reduce the risk to crew and port personnel on board company ships.
- Improve security skills and awareness of company personnel ashore and on board company ships.
- Prepare contingency measures for responding to emergencies relating to possible security incidents.

These objectives will be achieved by:

- Ship Security Assessment and Ship Security Plan specific to each individual ship.
- Comprehensive training for company personnel.
- Actively promoting security awareness amongst company personnel, both ashore and on board.
- Regular documented reviews and internal audits of security procedures and plans, in order to allow for update and improvement to the Plan.

All Company employees, ashore and on board ships, shall be expected to comply with the required procedures within this Ship Security Plan and should be familiar with the relevant security duties required of them and the measures required to protect the ship from any unlawful act.

The Company shall ensure that the Company Security Officer, the Master and the Ship Security Officer are given necessary support to fulfil their duties and responsibilities in accordance with Chapter XI-2 of the 1974 SOLAS Convention as amended to date.
